A Big Thank You

Everyone has made this a fun, happy and a successful season. When you think about all the folks here at Turtleback are from all over U.S.A. its great how everyone just clicks and gets along. Our volunteers who are always ready to lend a helping hand are greatly appreciated with all the time and energy they have given to help us with the Holiday party's and events. They have decorated for the Holidays, cooked, made pretzels, security and Fishing to have a fish fry. The list goes on...Also our staff who care and want to make sure that everyone is comfortable with the atmosphere here at The Turtleback RV Resort. We want to make sure that we have a bunch of "HAPPY CAMPERS"

UP COMING EVENTS:

Super Bowl Sunday February 1 6:00, Bring you own beverage and snacks, Valentines Day covered dish dinner and Party afterwards, St. Patrick's Day celebration, Archery, community fire ring area, Fishing tournament and fish fry, Pig roast and luau.

The monthly calendars will have all the dates and times. The sign up sheets are in the office on the bulletin board.

We are looking forward to all the activities we have in mind and will welcome any new ideas as well.

AUNT MATILDA'S COMEDY CORNER: before you criticize someone, you should walk a mile in his shoes. That way when you do criticize him, you're a mile away and you have his shoes.

Generally speaking, you aren't learning much when your mouth is moving.

Words of wisdom source unknown at www.appleseed.org/wisdom-words

FYI: Heated pool cover, since we have had some cool weather we have been covering the pool to keep the temperature of the water tolerable it is not a hot tub or Jacuzzi so we are trying our hardest to keep the heated pool at 86 degrees If you think about it your body temperature is 98.6 degrees the water is going to feel cooler than your body temperature.

PLEASE let us know if you would like to use the pool we will be more than happy to uncover it for you. The pool hours are from dawn till dusk.

FYI 2: The washing machines are for commercial use and EPA approved for saving water. Florida is known for the need to conserve water as much as possible; also our sewer station can not tolerate the unnecessary use of water. Please be assured that your cloths are coming clean and rinse properly as long as you do not over load the machines.
